B-VENT DRAFT DIVERTER

FASTER. SAFER. BETTER.

Designed specifically to adapt to new or existing pre-fabricated masonry fireplaces using Metal-Fab B-Vent products. For use with category I gas-fired appliances, Metal-Fab offers multiple sizes and configurations to meet a variety of applications.

- Diverts draft for category I gas burning appliances, preventing downdrafts and extinguishing of the appliance pilot light.
- ► Includes exclusive twist lock design for easy connection to Metal-Fab UI 441 listed B-Vent.
- ► 430 Stainless Steel Flue

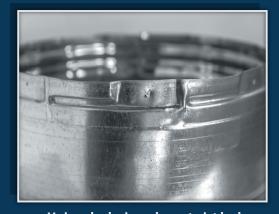

CAT NO.	А	В
10MDD	10.93"	20.00"
12MDD	12.93"	21.00"

* Please contact factory for pricing and availability.

Heavy-duty construction for maximum performance and durability.

Uniquely designed, our twist lock connection eliminates the need for sheet metal screws.
